Learning, Enjoying & Succeeding Together

6th July 2021

Dear Parent/Carer,

In light of the recent news about the potential lifting of bubbles within schools, we wanted to communicate with you that the original guidance that we communicated on the 14th May 2021 (copy attached) is still relevant.

The government will announce its guidance to schools next week about any changes that may be made within schools. However, as previously communicated, we will continue to operate the staggered start and finish times to our school day ensuring that social distancing is still adhered to within school until the end of the school year on Friday 23rd July 2021.

Any changes that the school wish to make will be reviewed and implemented for September. It is important to us that we keep a routine and manage the children's transition from being in bubbles to that of larger groups, especially for our younger children who have not experienced mixing with larger groups due to the pandemic.

Your continued support is greatly appreciated.

Yours sincerely

Sally Wall
