Headteacher's Update

So much to celebrate this year! The range of learning opportunities have been phenomenal which has been reflected in the high results across the school. I am sure you will agree with me that the children's learning this year has reflected the time and hard work of staff and the dedication to giving each and every child the best education possible. I am very proud of the hard work and progress made by all children. They are a credit to you and the school. We wish Year 6 all the best in their next step of education. All that remains to say is have a lovely summer holiday. As ever, thank you for all your support. We couldn't manage without you. We look forward to welcoming you back on Tuesday the 5th September 2017.

Presentation of our Silver Environment Award

This week, Katy Salter from Poole council came in to present us with our Silver Environment award.

The Green Team discussed their work on recycling, litter picking and making bird feeders and the school came up with ideas for next year.

Tyler found out that his badge design had won a competition out of all of the Poole schools, meaning that this week we will see the delivery of a purple scooter pod, giving the children who scoot to school, an additional place to part their scooters!

School Uniform Expectations

I would like to remind you about the school uniform that is expected to be worn when we return in September:

- Purple sweatshirt with Bearwood School logo or cardigan
- Grey or black skirt or pinafore dress (just above/below the knee) (Optional Summer variation lilac and white checked/striped dress)
- Grey or black tailored school trousers. Leisure/fashion trousers eg joggers, leggings etc, aren't acceptable
- White shirt/blouse
- School tie (Girls will have the option of wearing an open necked blouse and therefore will not have the need to wear a tie).
- Grey, black, white or purple socks
- Sensible black or brown school shoes (trainers are for sports lessons only)
- All uniform should be named

French Words of the week

This week's phrase is:
Bonnes vacances

Marvellous Me

Coming soon...

In early Autumn we will be launching 'Marvellous Me' across the school. This is an information sharing app which is free for parents and carers to access on both Apple and Android devices. Teachers will be able to share personalised snippets of learning, photos, awards and messages. At Bearwood, we value our families and believe that children are most successful when we work in partnership with home. We cannot wait to start information sharing to further involve you in school life! Information about how to sign up will be sent home in September.

'We'll Meet Again'

Last week, Maple Base performed our production of 'We'll Meet Again' to parents and peers. Since we have performed, we have had multiple glowing reviews of the performance, including how fantastic the children's singing was and how professional the actors came across. Well done Maple Base

Victory in Maple 1 Morning

On Wednesday morning, Maple 1 invited their parents in for a VM (Victory in Maple 1) Day celebration. We showed pictures of our day in Nothe Fort. We had some scones with jam and cream, tea, coffee and squash. We showed our family our school work that we had done during the year. When the Chinese students were visiting, we started a WWII quilling picture, which we carried on with our parents and adults. Lastly, we sang the songs from our production.

NSPCC 'Speak out. Stay safe.'

We're delighted that Bearwood Primary and Nursery School has worked with the NSPCC 'Speak out. Stay safe.' programme this term and would like to thank you and everyone at your school for your support. You raised £469.90 We hope you and the pupils at your school now feel empowered and understand the importance of speaking out and staying safe. We're leading the fight against child abuse – join us. As a supporter of our work, you already know that we're here for children. You know that abuse ruins childhood, but it can be prevented. That's why we're here. That's what drives all our work, and that's why – as long as there's abuse – we will fight for every childhood. We help children rebuild their lives, and we find ways to prevent abuse from ruining any more. So when a child needs a helping hand, we'll be there. When parents are finding it tough, we'll help. When laws need to change, or governments need to do more, we won't give up until things improve.
