'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

### Article 29, UNCRC (United Nations Convention on the Rights of the Child)

### Headteacher's Update

I hope you all enjoyed your bank holiday weekend with the lovely sunshine! We are currently updating the website with new photographs which we hope will be starting to appear in the next few weeks.

Please do ensure that you bring back the recent forms regarding data protection and photograph consent so we can put this on our system.

### Walk to School Week

The week beginning 21st May is 'Walk to School Week'. As a school, we are keen to encourage healthy lifestyles to our children and will be promoting travel on foot for the week. The Government states that every child should have at least 60 active minutes a day - the journey to and from school is an ideal opportunity to build up these minutes. Did you know research proves that exercise has a powerful impact on educational performance?

If you live at a distance that is not realistic to walk, why not 'park and stride'? There is plenty of on-road parking in the streets around our school. With the weather improving and our 'Great Plastic Pick Up' set to get the Charter Road Play Area ready for lots of visitors, you could even combine your journey home from school with a play!

During this week the car park will be closed to parents between 8:30 to 9:00am and 3:00 to 3:45pm. If you are a holder of a blue badge, please can you contact the office regarding a parking permit for that week. We will need to see your blue badge for evidence.

Thank you for your support as we drive to keep our children safe and healthy.

### Removal of Jewellery During PE Lessons

Please see the website for guidance on wearing jewellery during PE lessons. Children must remove watches and ear studs at the start of PE lessons. Earrings that cannot be removed from newly pierced ears must be covered with tape to minimise possible injury. The school cannot accept responsibility for lost watches or earrings.

### Safeguarding/Child Protection

Bearwood Primary and Nursery School is committed to the safeguarding and welfare of children and expects all staff and volunteers to share this commitment.

**If you have any concerns**, please contact the following people through the school office: The designated child protection/safeguarding officer is: Mrs Laura Bennett, Headteacher. The deputy designated child protection/safeguarding officer is: Mrs Sally Wall, Deputy Headteacher. The Family Support Worker is: Mrs Katy Bray.

### French Words of the week

This week's phrase is:

Qu'est-ce que vous voulez?  
What would you like?

**Road Safety Awareness Assembly**

On Thursday, we had a visit from Nick from the Borough of Poole who spoke to the children about road safety awareness. He is running a poster competition at Bearwood. Children are invited to design a poster to encourage pedestrians and road users not to park within the vicinity of our school and pedestrian crossings. Entries should be submitted to the Office by Tuesday 5th June. School Council will be judging the competition and awarding prizes! We can't wait to see your efforts!

**Royal Wedding Tea Friday 18th May 2018.**

There are still tickets available for this event. Tickets are on sale every day at the parents' shelter. Please come along and celebrate the wedding of Prince Harry and Meghan Markel.

**Health and Safety Notice**

Please can I remind all parents that your child(ren) are your responsibility before and after school hours on the school premises. The school car park has designated places for staff and visitors. We are also fortunate to have a car park where we are able to offer parent parking, however, it is the responsibility of each and every parent/carer to adhere to the speed limit and only park in designated areas.
