'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Article 29, UNCRC (United Nations Convention on the Rights of the Child)

Headteacher's Update

Children never cease to amaze from nursery to year 6. Each and every day I am delighted to share the learning experiences of the children and fascinated by the way their minds work! I could not be prouder of how hard year 6 have worked this week for MOCK SATS. They well and truly believe that all we ask is for them to 'be the best that they can be,' and they do. Whether its grappling with a maths problem or inferring from the text, they persevere and try to work it out. Well done year 6. We wish you all the luck for the actual SATS in May.

Lunch Assistant Vacancy

We require an enthusiastic and committed lunch assistant to join our friendly and supportive team. Lunchtime is a key point in the school day for setting up the children for an afternoon of learning.

We are seeking an individual who:

- Can promote behaviour and manage behaviour issues consistently and fairly
- Able to work on own initiative and be flexible
- Able to relate with tolerance and patience to children
- Commitment to Equal Opportunities

Please ask for an application form from the office or online on the website. Closing date: Midday 30th April 2018 and interviews Wednesday 9th May 2018.

Pupils with Hay Fever

Please can we remind you that children with hay fever need to be given antihistamine on high pollen count days. Thank you for your support.

Compost Bins

We are fortunate to have been given two new compost bins. This week Mrs Coleman gave School Council an introductory talk into how to compost successfully. We will be encouraging children across the school to use these new bins in our bid to reduce waste.

Safeguarding/Child Protection

Bearwood Primary and Nursery School is committed to the safeguarding and welfare of children and expects all staff and volunteers to share this commitment.

If you have any concerns, please contact the following people through the school office: The designated child protection/safeguarding officer is: Mrs Laura Bennett, Headteacher. The deputy designated child protection/safeguarding officer is: Mrs Sally Wall, Deputy Headteacher. The Family Support Worker is: Mrs Katy Bray.

HAMWIC TRUST

EDUCATION

French Words of the week

This week's phrase is:

ma mère ,mon père,
my mother, my father

The following children have been celebrated this week

	Outstanding Learning	Confident Communicator	Whole Class
Oak 2	Alexis	Amelia	Good golf lesson
Holly 1		Connor	Welcoming their new teacher
Holly 2	Bella	Hollie-Mae	Perseverance
Willow 1		Elsie & Eden	Welcoming new member of the class
Willow 2	Dixie	Jay	Outdoor PE lesson
Maple 1	David	Marissa	
Maple 2	Charlotte	Levi	Positive attitude to learning

Best attendance: Holly 1 100%

An Example of Work from a Maple 1 pupil

In Maple One we have been working on using vocabulary, grammar and punctuation to enhance effect and clarify meaning.

Alfie worked incredibly hard to produce this excellent descriptive paragraph...

When I stare down at the blackness of Earth, I can see the curved blue halo that wraps round the giant ball. With shades of blue, white and green, it's a panorama of a sight. Lights, which look like gold, light up the Earth cities and streets. I'm mesmerised by the vibrant coloured Northern lights arching through the sky. They're so beautiful , you'd love to see them from this angle! I can also see the Southern lights down below, floating through the atmosphere ready to go to Antarctica's mountains, like they want to say hi!

Great Plastic Pick Up

The School Council have been working hard to help Bearwood become more environmentally friendly. We recently visited the Charter Road Play Area to review the facilities and were shocked and saddened by the amount of litter. As a result, we have joined the Daily Mail's Great Plastic Pick Up (Thank you Neo for bringing this campaign to our attention!). On Friday 11th May we invite you and your families to meet us at 3.45 at the play area to give it a blitz! Please bring plastic bags and gloves. With the weather improving it would be lovely to get the area spick and span and safe for our children to use on their way to and from school. Let's show our children what community pride and spirit is all about! For further information please visit <http://greatplasticpickup.org/home/2684>

Headlice

We appreciate that parents are frustrated with the incidents of headlice. Several parents have found the treatments don't achieve much more than special or tea tree shampoos and conditioners. Parents have also advised that left in conditioner works better at trying to deter them from latching on. The comb is the best treatment of all for catching the lice. Local pharmacies and supermarkets sell suitable products.

We have been notified of some incidents in the school so please check your child's hair and treat if necessary on a regular basis.

Up and Coming PFA Events.
