'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

**Article 29, UNCRC (United Nations Convention on the Rights of the Child)**

### Headteacher's Update

It has come to that time of year again where we share which teacher will be leading the learning in which year group. There will be many changes in September, including Ms Manson being the only teacher to stay in the same year group. We are very excited to begin the journey with new members and a clear vision for delivering an outstanding curriculum. Sadly, we are losing some teachers. Mrs Coleman has decided to leave to pursue a different role and Mrs Lockyer has decided to go abroad to Qatar for two years with her family - Lucky thing! Mr Dudley, who has worked at Bishop Aldhem's before going abroad to Vietnam for two years, will be in year 1. Finally, we have 3 newly qualified teachers, Mr Longland, Mrs Goodfellow and Mrs Preston, all of whom have worked as a student during this academic year with us. They were so good, we just couldn't let them go!

### Walk a Mile.

Mrs Bray and Mrs Wilson would like to thank everyone for supporting them with the daily mile. They have had some wonderful feedback, including children sleeping better at night!!!! That is worth celebrating. Please continue to support this activity as it is having such a positive impact on the children's education as they are ready for learning.

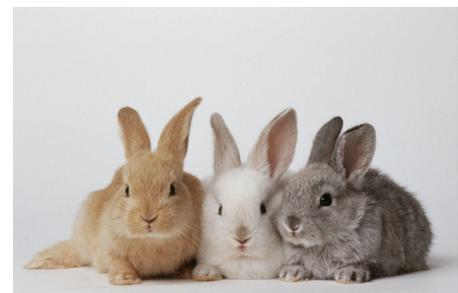

### Environment Award

We are very pleased to announce that thanks to the hard work of the children throughout this year, we have been awarded the Gold Level of the Environment Award. The School Council have worked hard to raise the profile of environmental issues through Class Council sessions. We have developed composting, planted new trees in the garden, worked with the RSPB to examine our school grounds and develop them further to improve the potential to support wildlife. Alongside this, the children have raised the profile of the need to recycle and be safe on the roads. We provided every child in Key Stage One and Early Years with a high vis vest and the Key Stage Two children with a set of bike lights and led our own 'Great Plastic Pick Up' at the Charter Road Play Area to help the children develop pride in our local community. We are currently awaiting a date for the presentation of our award!

### Rabbit Carers Needed.

Can you help to look after our school rabbits during the holidays or at week-ends? If you are interested please contact the school office to find out more details. Everything that you will need to care for them will be provided.

**Lockdown Drill:** The purpose of a school lockdown drill is to protect the children and adults in the building from a potential any emergency such as the presence of a stray dog. As with fire drills and other safety programs, the hope is to acclimate pupils and teachers to a procedure that they will be able to follow quickly, effectively, and safely. This will take place on 20th June 2018.
