'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Article 29, UNCRC (United Nations Convention on the Rights of the Child)

Headteacher's Update

We are delighted to once again welcome eighteen students from China along with their three teachers. The Opening Ceremony began with the introduction of the GYAP (Global Youth Ambassadors) sharing their role with the school and about how we would be learning about each others cultures and education system. We have a wealth of learning opportunities planned for the forth coming weeks including cookery, sporting activities, a trip to the beach as well as having an performance from our Chinese visitors.

Storytelling with Stones

Oak Base are looking forward to embarking on a new story telling project. Thanks to a donation from Suttles Quarry, the children now have a range of pebbles and will be using these to start creating their own art work and telling stories to accompany these. We are working hard to promote language across the base and can't wait to see what the children create.

New Gardening Equipment

The Gardening Club are eagerly awaiting the arrival of a range of new tools and bulbs ready to bring the garden to life. These have generously been funded by Barratt Homes. Our green fingered children will soon be getting root vegetables growing in our newly weeded beds.

Oak Base Outdoor Area

We are still looking for volunteers to come and support the Oak Base teachers to repaint the woodwork in our early years outdoor area. We can work around you... if you have even an hour to spare and would like to help, please get in contact with the School Office.

Playground Equipment

We are in the process of applying for a grant to renew our playground equipment. Having met with our local councillor, Jane Newell, we are pleased to announce that she is supporting our bid application. Watch this space for more news in the coming weeks... and keep everything crossed for us!!

Gadgets From Home

Please can we remind all parents and children that gadgets and things from home are not allowed unless directed by the teacher. We are finding fidget spinners, goo and toys creeping into classrooms. Items will be confiscated and will need to be collected at the office by an adult.

Olympic Wrestler

Due to unforeseen circumstances the wrestler was unable to attend on Wednesday. However, the children still completed a fitness circuit and showed excellent perseverance. The school is re-arranging a date for him to come in and work with the children over the next couple of weeks.

Thank you again for all the sponsorship money that the children have collected.

Secondary School Applications

We have come to that time of year when the Year 6 pupils apply for secondary school places. If you would like further advice regarding the application process, please join Mrs Bennett on 2nd October in the Year 6 classroom at 3:45pm.

Macmillan Coffee Morning

Thank you so much for all the support from our families and children. It was wonderful to see the children supporting this wonderful charity by wearing non-uniform and eating cake! Many children believe that all teachers do in the staff room is eat cake! Well, I think we confirmed this for them today.

As we have chosen this as our main school charity this year if have any ideas of how we can fundraise do please email the school office at school@bearwood.poole.sch.uk

If you would like to make a donation directly for our madness of running !!! The link is below to our
