

# Bearwood School Council

## *Article 12*

*You have the right to give your opinion, and for adults to listen and take it seriously.*

Friday 8<sup>th</sup> February 2019 **ONLY YEAR THREE AND FOUR PRESENT**

### **This is what we talked about:**

- **Safeguarding**
- Play fighting is causing issues and children are getting hurt. Children have been picking each other up with the intention of hurting. This is not acceptable.
- Children are climbing on the wooden sand box despite it being coned off; school council are suggesting this is removed as it is not used.
  
- **Class issues**
- KS2 have observed KS1 children putting their lunches in the bin. Please make sure you tell one of the staff if you see this.
- Gluten free lunches are not being well received.
- KS2 children have been observed pulling straw out of the roundhouse; please keep away. The roundhouse is not open at break and lunchtimes.
- Children would like Capture the Flag back; Mrs Gunstone will ask Coach James
  
- **House Assembly**
- This will now take place the first week after half term.
  
- **Rights Time activity suggestions**
- It has been decided that this will be called 'Your Time'. Mrs Bennett is currently working on how this will be introduced with the teacher.
  
- **Clubs**
- Year 4 suggested some new clubs;
- Dance club with Coach James on wet lunchtimes instead of going into crowded classrooms.
- Dodgeball
- Tug of war
- Boxing would be good so long as children were safe and understood when it was safe to use like they do with martial arts.
- Y3 and 4 aren't sure if morning clubs are a good idea as the mornings are busy.
  
- **Outdoor Gym**
- We looked at the plans for the gym and reviewed where it will go on the playground .
- We would like an official opening for the gym.
- We decided that all children will need a training session so they use it safely.
- We decided we will need a rota for use so that it is fair.
- The design for the gym has been displayed in the Hall.
