HAMWIC TRUST
EDUCATION

'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Headteacher's Update

Next week I will be sending out a letter explaining our updated Relationships Policy which has been developed to ensure that expectations around safety and behaviours are consistent. Pupils were delighted to have the opportunity to choose from a selection of activities ranging from Cookery, Times Table Rockstars to Circuits and Gardening. "Your Time" was a suggestion from school council brought by the pupils. Please do ask your child/ren about how this works.

Sports At Bearwood

Handball

Congratulations to the Year 6 pupils who attended the handball tournament at Carter Secondary School. This is a new sport which we tried and loved!!! Watch this space for this club being offered.

Netball

A huge well done to all pupils who represented Bearwood in the netball league last week. The team is getting stronger and stronger. One more match next week!

Swimming Gala

What a delight it was to be represented at the local swimming gala by Year 3 and 4 pupils. Reports from parents and staff were exemplary and we were thrilled with the children's performance.

Trainee Teachers at Bearwood.

Each year we host trainee teachers at our school from Poole Scitt and Poole Teaching Alliance. Trainees need to have experience in different year groups and different schools, which is why a particular student does not stay with a class for the whole year. Whilst they are training they work very closely with the class teacher to learn their craft. Our children benefit from having additional adults in their class who are striving for the best outcomes for them. Trainees also regularly enter into professional discussions with our teaching staff which ensures that we are reflective of own teaching approaches and curriculum provision. We are currently hosting two students, Miss Bristowe in Year 1 and Miss Matthews in Year 5 until Easter. Then Miss Bristowe will continue with our year 5 after Easter.

Parent View

What is Parent View? Parent View is an online questionnaire for parents and carers to feed back on their child's school to OFSTED.

Once a school has a sufficient number of responses from parents/carers, results will be published in percentages in easy-to-understand graphs. They can then be viewed by schools, parents and carers and the general public on the Parent View website. <https://parentview.ofsted.gov.uk/parent-view-results>

As the results for each school are saved at the end of the academic year, they can provide headteachers and governors with a useful year-on-year picture of parents' views. We are therefore seeking your help by requesting that you take the time to visit: <https://parentview.ofsted.gov.uk/> and to share your views. Without your views we are unable to see where we are succeeding or where we need to make improvements. Please take a moment to complete the short anonymous questionnaire, access is available in school via a Tablet if required.

Nits

School Council have raised concerns about a number of children with long hair who are wearing their hair down to school. Nits often do the rounds in every school - the best way to avoid them is to tie hair back.

Please familiarise yourself with our guidelines on hair by viewing our School Prospectus on our website. Thank you.

Easter is fast approaching and the PFA will be hosting a 'Bunny Bingo' evening on:

Friday 29th March—6pm to 7:30 pm.

In preparation for the bingo evening there will be a **non-uniform day** on **FRIDAY 29TH MARCH**. In return for wearing their own clothes, we request that each child brings to school; Easter eggs, mini eggs, cream eggs, foil wrapped chicks/bunnies etc, which will be used at the bingo evening.

Tickets on sale soon—£5 per family (includes 3 games and light refreshments) - extra games £1
