HAMWIC TRUST

EDUCATION

'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

### Headteacher's Update

Thank you so much for all the messages of support and congratulations on my completion of the London Marathon. It was so nice to share with the children the preparations, the event itself and the aches and pains afterwards. The pupils were amazed with the photographs, the organisations of the event and the resilience and perseverance which goes with training for a marathon. Most importantly they learnt to set yourself a goal and achieve it! Thank you also for the donations towards the chosen charity of Macmillan cancer. Mrs Wall and I myself have raised nearly £2,000. Good luck to Mrs Wall who is running the Southampton marathon this Sunday!

### Outdoor Gym Equipment Official Opening

We are thrilled to have you all here today to join us in officially opening our new outdoor gym. This is a facility that we would not have been able to afford with the current climate in education and so we are incredibly grateful to Poole Council for supporting our bid for the Community Infrastructure Levy funding. This equipment cost over £17,000 and we are excited to now be in a position to integrate high quality fitness opportunities within all aspects of school life. The gym has been in use all this week and it is safe to say it is proving popular with all year groups and is in very high demand! We are looking forward to working with our School Games organiser and linking with other schools so that not only Bearwood children but those from other schools can come and share this fantastic resource.

### Big Battery Hunt

Shortly before Easter, each child received a battery collecting box. We now have a large collection bin by the school entrance. Please drop off any batteries to the Office. Remember, we also have collection points for milk bottle tops, crisp packets and used pens.

Oak 2—100%

**Building Site Visit**

On Wednesday, Oak base had an exciting visit to the Canford Paddock building site. On arrival we were met by Billy Barratt and stood behind safety barriers. We were given a fantastic display of all the machinery from diggers to dumpers and got to see what happens on a building site and understand more about what is happening in our local area. It is safe to say the children had a wonderful time... and the adults seemed to be having a lot of fun too!

**Safeguarding/Child Protection**

Bearwood Primary and Nursery School is committed to the safeguarding and welfare of children and expects all staff and volunteers to share this commitment.

**If you have any concerns**, please contact the following people through the school office:

The designated child protection/safeguarding officer is: Mrs Laura Bennett, Headteacher. The deputy designated child protection/safeguarding officer is: Mrs Sally Wall, Deputy Headteacher. The Family Support Worker is: Mrs Katy Bray.
