- **Environment Award**
- We talked through all the criteria for the platinum level of the award and decided which aspects we want to work towards.
- Next Friday, School Council will do a litter survey across the school. Please bring coats to the meeting.
- Please ensure your classroom recycling facilities are high profile; we will be coming round to take photos on our litter walk next Friday.
- Years 1,2,3 are all growing things; please get copies of work and photos of your projects.
- Year 2 have designed healthy meals; please choose some lovely work and bring copies to school council.
