

# Bearwood School Council

## *Article 12*

*You have the right to give your opinion, and for adults to listen and take it seriously.*

Thursday 23rd May 2019

### **This is what we talked about:**

- **Safeguarding**
- On the side of the preschool building there is a hole which Chelsy caught her leg on. Chelsy will show Mr Lee.
- On table outside Willow base is wobbly and being lifted up by children. Mr Lee will investigate. There are some sharp bits on these tables.
- People are going behind the shelters - please remember this is not safe.
  
- **Environment Award**
- Bring and Buy sale will take place on Thursday 27<sup>th</sup> June; School Councillors to collect for own class and bring to the Orchard during assembly that day. Weather dependent, the sale will be in the Shelter. We will set it up at 3pm. School Council will run the stall. Please make sure toys are in good condition and are the right age for school children; no baby toys.
- Any left over toys will be used to make a Lucky Dip the following week.
- Posters will be designed by School Council members. Please bring these to the next meeting so we can put them up around school.

### **This week we decided on....**

- Designing logos for the environment award that we can use to showcase our work

### **In class council can you discuss.....**

- Possible designs and every child to design their own logo on a circle that could be used to create badges to promote the environment award.
- Ways that we can avoid single use plastic - please write some lists of tips, create posters or any other outcome that shares ideas with others about reducing plastic waste.

Thank you
