EDUCATION

'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Headteacher's Update

I hope that you are all looking forward to the half term holidays, which are now only a fortnight away. I am pleased to see that the sun has come out today. I hope it is planning to warm up as we approach the break! I would like to take this opportunity to welcome Mrs Daniels who is our lunchtime supervisor and has taken on temporary additional hours in the office. I am sure you will all get to know her over the coming weeks. May I also say congratulations to Mrs Wall on completing the Southampton Marathon last weekend.

SATS Year 2

Year 2 pupils are currently undergoing their end of KS1 assessments. In Year 2, the children have assessment activities in reading comprehension, spelling, grammar and maths. These tests are taken over a number of weeks and are carefully planned to be as low key as possible. These assessments are used to confirm our teacher assessment. Teacher assessment is based upon performance as a whole over a period of time and is not just about the formal assessments.

Year 6

Year 6 pupils are undertaking their end of KS2 formal assessments next week. Year 6 have worked very hard to prepare for these assessments and are rightly excited about the opportunity to show off what they know. **We have invited all Year 6 pupils to join us for breakfast at 8am every day next week so we can ensure that they are here on time!**

If you have a child in Year 2 or Year 6 and have any concerns about the assessments, please contact your child's class teacher in the first instance.

Gym Opening

We were pleased to have welcomed our local MP Michael Tomlinson to our gym opening last week. Michael kindly wrote a letter of support for our bid so it was a pleasure to see him at our official opening ceremony. We were also joined by Luke Bennett from the BCP Council Planning Team who worked with us to bring this idea to life.

Family Outreach Worker

Olivia Prince the Family Outreach Worker who is allocated to our school has her next drop in session on the 21st May at 9am. Please contact the office if you would like to book a time with her. She is fabulous at sign posting different agencies who can help families and supporting families in completing paperwork which can sometimes feel daunting.

Hair and Jewellery (Prospectus—page 8)

School is not the place to experiment with hair, jewellery and make up.

All hair at or below shoulder length must be tied back at all times in school, but especially during PE and games lessons. Hair ties and headbands must be small and discreet. Hair should be off the face, clipped back and not obscuring sight. Hair should be no shorter than a Grade 2 cut and pupils should not wear extreme hair fashions, including dyed or streaked hair and images or lines cut into the hair.

Make up is for special occasions out of school and must not be worn in school. Rings, earrings, necklaces and bracelets can be very dangerous both during PE lessons and in the playground. Other than small, plain ear studs, we would ask that no other items are not worn to school.

Children must remove watches and ear studs at the start of PE lessons. Earrings that cannot be removed from newly pierced ears must be covered with tape to minimise possible injury. The school cannot accept responsibility for lost watches or earrings.

We strongly recommend that studs and watches are not worn to school on PE days when they would have to be removed.

Summer is on the way and we have the perfect way to start the weekends...Every Friday (weather permitting!) we will be selling ice creams from the shelter after school - the perfect way to cool down on a sunny day!
