'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Headteacher's Update

What a beautiful week to have Walk to School Week! The children have loved talking about all the different ways that they have walked to school and have really enjoyed earning their stickers. Thank you as always for your support and it was so nice to have so many parents and children comment on how much safer and nicer it was to have the car park closed.

School Council Bring and Buy Sale

We are keen to participate in the 'Toilet Twinning' scheme and sponsor toilets in Africa. School Council are organising a 'Bring and Buy Sale' on Thursday 27th June. Children are invited to bring in a toy, game, book or puzzle that they no longer want. At the end of the school day, School Council will be selling these things from the Shelter. Please help us make this event a success!

Class Photos

Class photographs are being taken on Thursday 6th June. In line with GDPR guidelines, we would request that if you do not wish your child to be included in their class photo that you contact the school by Wednesday 5th June. If we have not heard to the contrary we will include all children in the photographs.

Your time

We are delighted to report that the introduction of 'Your Time' is proving to have a really positive impact on the behaviour around the school. The children are taking the opportunity to try new activities. To keep 'Your Time' fresh and engaging we change the choice of activities every few weeks and the children are suggesting ideas. We do have a small group of pupils who are losing significant amounts of 'Your time' each week. If, as a school, we notice that the same children are missing 'Your Time' the class teacher will contact parents to discuss further. For children who achieve 100% 'Your Time' we will send out a Marvellous Me so that parents are aware of how proud we are of your child.

Waterwise

On Tuesday afternoon, Willow Base had a visit from Waterwise. Trish spoke to us about how the water gets from the cloud to our taps, how our water is treated to make it safe to drink and how we can help save water. We learnt lots of interesting facts and it definitely made us think carefully about 'how we can make a difference' in terms of water conservation.

Children's University

This week all KS2 children received a letter with details of the free Children's University events running in the coming weeks. If you are interested in securing a place, please complete the form and return to the Office ASAP. Save the date 5th July for the Children's University Family 'Summer Showcase' and Children's University Graduation 4pm-7pm to be held at the Talbot Campus. More details to follow soon!

Oak Base Request!

In Oak base we are trying to build a range of outdoor paint brushes and rollers of different sizes. If you have any spare decorating brushes that are no longer needed we can give them a very good home!

Frozen Fridays

Summer is on the way and we have the perfect way to start the weekends...every Friday (weather permitting!) we will be selling ice creams from the shelter after school - the perfect way to cool down on a sunny day!

Summer Fayre and Car Boot

Come and join us for some fun and games on Saturday 22nd June - 11 am to 2 pm. We have a train ride, bouncy castle, raffle, tombola, refreshments and much much more. This year we will also be including a small Car Boot Sale so if you are interested please let us know.
