EDUCATION

'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Headteacher's Update

Thank you to all the parents and carers who attended the poetry assembly on Thursday. All children participated in the poetry performance developing their competence in presenting to an audience with expression. It was a delight to watch the performance. A special mention to Ms Manson who wrote the Year 6 poem.

Transition to Senior School—Year 6

Olivia Prince, the Family Outreach Worker, is coming in for a Drop-In Transition Session on Monday 24th June at 9am - this session is open to all parents. If you have any queries or concerns please at all please contact the school office to make an appointment.

Staffing

It is with great sadness that I have to inform you that Ms Manson is semi retiring and leaving Bearwood. For those that have been lucky enough for her to teach your children, you will understand what a great loss this is. I would like to say a huge thank you and wish you all the best for the future. We are delighted to announce that we have recruited two teachers for next academic year, Mrs Hunt and Miss Pike. Transition day is on the 3rd of July where the pupils will find out their new teacher and teaching learning assistant.

Walk to School Week

National Walk to School Week was the week before half term. Well done to all those who walked, scooted or cycled to school during this week. Wednesday was our best day with 75.91% of the school walking to school. Maple 2 had the highest percentage of walkers with 79.31% not travelling by car.

Volunteers

We are unable to run trips without volunteers and we are truly grateful for your support. However we do need to bring to your attention that should your help not be required you will not be able to join the class on a trip. We organise the children into groups for activities and to ensure ratios are met and additional adults appearing causes disruption for staff leading the trips.

Please be aware that the school has a duty of care to all children while on trips rather than parent helpers, therefore strict protocol must be adhered to; food and drinks cannot be given to children that are not your own. Please also be aware that could cannot leave the group without a member of staff knowing.

Trips

As we begin the final half term of the academic year we are looking to book trips. Unfortunately we are simply not getting the voluntary contributions from parents for some trips to go ahead. In the current financial climate facing schools we are unable to heavily subsidise trips, which often disappoints the pupils when we have to cancel. If you require any assistance on using SCOPE then please do contact the office.
