Food Preparation and Tasting

Dear Parents,

The Foundation Stage Curriculum is based on first-hand experiences and we felt that much of our curriculum can be achieved through food preparation and cooking activities. Our personal and social curriculum will be enhanced by the children eating together.

As we intend to provide as many activities throughout the year as possible, we would like to send just one letter to cover all these opportunities.

It is important that we are aware of any food allergies that your child has and that you inform us if your child develops an allergy during the year.

As part of our Healthy Schools status, we request that sweets are not brought into school.

Please sign and return the form below giving permission for your child to take part in these activities.

Yours Sincerely,

Mrs Gunstone
Early Years Team
