'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Headteacher's Update

This week we have continued to welcome our Chinese visitors. Thank you to the Global Youth Ambassadors who have ensured that they have supported our guests by emerging them into our English Education System. It is true to say that we have certainly learned new insights into their culture and look forward to welcoming them back once more next academic year.

It was lovely to see all the children meet their new teacher and teaching assistant. We hope they shared their transition morning with you.

Maple 1 Dancing

Last week, we had a dance lesson with Miss Lucy from Destined to Dance and our Chinese students. We learnt a dance to the song 'No Money'. Miss Lucy broke the song down into small parts without the music and then added the music in. We had fun getting our head around the moves and lots of us were getting the moves wrong to start with, which was funny. Luckily we learnt it by the end of the session and were able to dance the whole routine to the song.

Year 5 Spend the day at Bourne Academy

On Tuesday Maple 1 went to Bourne Academy. When we arrived we were introduced to the school and told what we would be doing for the day. Our first lesson was maths where we did problem solving. The teacher told us we do maths every single day when we have any problem to solve. After that, we had a science lesson where we learnt about starch and got to use iodine to test different foods to see if they had starch in them. Our third lesson was Outdoor Education. We worked in groups design and create a bug house. The best thing was exploring the school grounds, finding materials to put in our bug houses. Our final lesson was computer science and it was really fun! We had to write code to programme microbits and made things like a magic 8 ball and a winking emoji. We all enjoyed the day and found it interesting.

School Games Gold Mark Award

We are delighted to announce that we, Bearwood Primary and Nursery School, have achieved the School Games Gold Mark Award for the 2018/19 academic year. The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. We are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year. We look forward to applying once again in 2020!

Important Note - Morning drop-off

Please can we remind all parents that children must not be left on school site **before 8.30am** due to safeguarding. This includes in the foyer area. If you would like to make use of the Breakfast Club please do see the office to book a place for your child in advance, this facility is available from 7:50am each day. Thank you.

Online Safety

We have become aware that there have been a number of inappropriate messages being circulated. We ask that all parents are aware of their child's online activities including private messaging. For further advice on keeping your child safe online please go to www.internetmatters.org

Frozen Fridays

Don't forget, the perfect way to start the weekends...Every Friday (weather permitting!) we will be selling ice creams from the shelter after school - the perfect way to cool down on a sunny day!

Safeguarding/Child Protection

Bearwood Primary and Nursery School is committed to the safeguarding and welfare of children and expects all staff and volunteers to share this commitment.

If you have any concerns, please contact the following people through the school office:

The designated child protection/safeguarding officer is: Mrs Laura Bennett, Headteacher. The deputy designated child protection/safeguarding officer is: Mrs Sally Wall, Deputy Headteacher. The Family Support Worker is: Mrs Katy Bray.
