### IN CASE OF EMERGENCY:

If you experience an emergency and need to contact your child, please contact Mrs Sally Wall at Bearwood Primary and Nursery School.

If an emergency occurs concerning your child we will contact you using the numbers you provide us on the accompanying form. **Please bear this in mind when you choose the contact numbers to use.**

### ACCOMPANYING ADULTS:

The children will be accompanied by 5 school adults:

Mrs Laura Bennett (Group Leader)  
Mrs Julie Hunt (Deputy Group Leader)  
Mr Luke Naveira (First Aider)  
Mrs Anna Chesterfield (First Aider)  
Mr Tim Cox (SDITT student)

### AIMS OF VISIT:

Experience of previous trips has shown us that this is an invaluable opportunity for children to grow and develop as a whole learner and, in many cases, to achieve beyond their own expectations.

This is an educational trip designed to address statutory elements of the PE National Curriculum. In particular, we will be giving children the opportunity to engage in Outdoor and Adventurous activities using equipment and expertise which we do not have access to on site in school.

In addition to the PE element, the residential element of the trip together with some of the problem solving challenges, will enable the children to improve their teamwork and communication skills.

### ACTIVITIES:

We have a provisional list of activities provided by PGL. There is a small possibility that these activities may change in the light of circumstances at the time. All activities are led by trained PGL staff. The children will be accompanied by Bearwood School staff at all times. The children will be split into two groups and will complete the activities on a rota basis.

Aeroball: an energetic game involving individual trampolines and balls – be prepared to get tired.

Giant Swing: a breath-taking ride on a two-seater swing – you and your partner decide how high to go.

Dragon Boating: manoeuvring and racing a dragon boat, we will learn to paddle rhythmically and effectively together in a race.

Quad Biking: an action-packed opportunity to zoom across the countryside.

Climbing: using ropes and specialist equipment we will tackle the climbing wall.

Street Surfing: an active experience mastering their own movements on top of a board or a scooter.

Orienteering: an excellent introduction to practical map-reading and an exciting way to get to know your surroundings.

### POCKET MONEY:

There is a shop on site at Osmington selling a wide range of souvenirs at very reasonable prices: pencils, pencil cases, key-rings, balls, caps, T shirts, water bottles. The shop also sells sweets. Providing pocket money for your child is optional and your child will be responsible for keeping their money safely in their bag. We ask that each child brings **no more than £5**. Children will be supervised in the shop. There are also vending machines on site which the children will not be allowed to use. Water is available at all times.

### MOBILE PHONES:

Children are **not allowed to bring electronic equipment of any description, including mobile phones and cameras**. We ask that all families respect this.

### DINING:

**You will need to provide a PACKED LUNCH for your child on Wednesday 11<sup>th</sup> September.** If your child has school lunches, an away day meal will be provided as is usual for school trips. You may wish to provide some additional snacks to keep them going. The first meal provided by Osmington will be the evening meal on Wednesday 11<sup>th</sup> September.

At every meal, children will have a choice of menu. A board at the entrance to the dining room shows which meals are suitable for children with different dietary requirements.

We ask that you complete the attached form to alert school staff of these dietary requirements so that we are able to support children in their meal selection if needed.

#### **MEDICATION:**

If any child needs medication, including travel medication, please put the medication in a plastic bag. Please ensure that the medication and the bag is **clearly labelled with your child's name**. In the bag, please include details of precise doses. If you have a child who uses medication intermittently e.g. asthma inhalers, please ensure that the medication is up-to-date.

#### **BEHAVIOUR:**

Although we are all looking forward to this experience and expect to have a lot of fun we will make it very clear to the children that we are not on holiday: we are engaged in education. As such, we expect the same standards of behaviour at Osmington that we do at school. We expect all children to follow the instructions of adults at all times without question. We also expect all members of the party to treat every other person with respect. As adults, we will always provide children with the utmost care and support to help them achieve these standards. In the extremely unlikely event of a child refusing to comply with these expectations we may contact you and make arrangements for their participation in the residential to be terminated.

### **KIT LIST**

### **PLEASE NAME EVERYTHING!**

- 1 large bag e.g. rucksack/ holdall
- 1 day bag such as a small rucksack. Children will use this bag to carry spare kit around the site and on the beach walk.

**NB CARRYING BAGS:** Children will need to transport all of their own luggage between the coach and the accommodation. Please bear this in mind when organising their kit. Wheeled bags can be useful but are not essential. If you provide dustbin liners to transport bedding, please pack spare bags for the return trip.

#### **NIGHT TIME**

- Sleeping bag
- Pillow + pillow case
- Pyjamas/ Nightwear
- Wash kit (**no aerosols** – they can set off the smoke alarms!)
- 1 small cuddly toy
- Towel

**DAY TIME – check the weather forecast closer to the time and please ensure plenty of appropriate clothes for your child**

Comfortable old clothes – which can get wet, dirty or even damaged– enough for three days. Build the clothes up in layers so that your child can adjust their clothing to match the changing temperatures that we may experience in September. The children will spend most of their time outside. Please also bear in mind, that Osmington's site gives fantastic views over the sea but gives little protection from the wind – it can be rather cold!

- T-shirts – short or long sleeved (all shoulders must be covered for safety).
- Trousers (**no jeans** – they do not dry quickly if they get wet)  
And/ or Tracksuit trousers or leggings  
And/ or shorts (knee length – not short as clothing must cover the thighs for rope based activities).
- Sweatshirts/ jumpers/ fleeces
- Underwear and socks

- Old Trainers + spare pair in case the first pair get wet.
- Waterproof jacket (the activities go ahead in the rain!)
- Waterproof trousers (if you have them)

#### ADDITIONAL ITEMS

- In room entertainment: Book to read/ notebook to write in/ pack of cards.
- £5 spending money (optional)
- Waterproof sunblock
- Water Bottle
- Sun hat
- Sun glasses (optional)
- Labelled bin bag for wet/ dirty clothing.

Yours faithfully,

Mrs Bennett
