Welcome to Playball

Using sport as the means, we provide children with a sound base from which to develop every aspect of their lives.

The aim of Playball is to introduce young children to constructive and enjoyable sport participation through various age-appropriate programs. All of our programs have a "multi-activity" approach, ensuring a competent foundation in all the popular sports played at school.

Sports covered in the program: Football, Tag Rugby, Tennis, Hockey, Netball, Rounder, Basketball and much more!
