### **This is what we talked about:**

- **Safeguarding**
- Year 5 are going on top of the climbing wall - please do not do this. If you are seen doing this, you will lose 5 minutes of Your Time.
- People are throwing acorns - this is not safe.
  
- **Fund raising**
- We discussed what we would like to fund raise for;
- Year 6 would like more outdoor play equipment, skipping ropes, vortex ( the ones we have are damaged). Library computer is probably higher priority.
- Year 5
- Year 4 would like more Your Time equipment and to upgrade the ICT suite computers as they are slow when you log on.
- Year 3, 2 and 1 are yet to decide.
- We voted and the majority of class council members voted for a new library computer.
- As a School Council, we will make a thermometer display to go up in the hall to show how our fund raising is going.
  
- School council would like to organise these events;
- Interhouse tree decorating - it was suggested that it could be one tree per class rather than houses.
- Christmas elf trail
- Biscuit decorating
- Easter egg hunt around school (perhaps after school and people pay to do it with their parents)
- Colouring competition
- Decorating eggs for easter
- Bring and buy sale
- Spring time scavenger hunt
- Paper aeroplane competition
- Count how many marbles in the jar. Year 6 will write letters that Mrs Gunstone will send to local companies to get a large toy donated.
- Fund raising stool at the school fair; perhaps a treasure island game

- **AOB**
- Year 4 would like more the ICT open more during break and lunch time for access.
- **Thank you**

**This week we decided on....**

- Raising money for a new library computer

**In class council can you discuss...**

- Which events would be the best, when they should happen and how they might work (e.g. in houses, come with parents after school etc)

Thank you

- **Next week's meeting will be Friday 11<sup>th</sup> October in the Orchard**
