Learning, Enjoying & Succeeding Together

28th February 2020

Dear Parents / Carers

Re: Coronavirus concerns

I am sure that you are all aware of the outbreak of novel coronavirus in China and the subsequent confirmed cases in the UK. Although these cases are low and the current risk to the UK is low, we do take the health and safety of our pupils and staff very seriously, so we're sharing guidance from Public Health England on steps you should be taking.

There's currently no cause for concern at Bearwood Primary & Nursery School but we'll keep you informed about any developments and ensure we're keeping the school clean to prevent the spread of any virus.

How to prevent the spread of infection

- Make sure you and your children follow these general principles to prevent spreading any respiratory virus:
- Wash your hands often – with soap and water for at least 20 seconds, or an alcohol-based sanitiser if soap and water aren't available
- Avoid touching your eyes, nose, and mouth with unwashed hands
- Avoid close contact with people who are sick
- If you feel unwell, stay at home and don't attend work or school
- Cover your cough or sneeze with a tissue, then throw the tissue in a bin
- Clean and disinfect frequently touched objects and surfaces in the home
- If you're worried about your symptoms, please call NHS 111 – don't go directly to your GP or other healthcare environment

If you or your children have returned from anywhere in Hubei province in past 14 days

If you or your children are currently well:

- Stay indoors and avoid contact with other people as you would with flu viruses
- Call NHS 111 to inform them of your recent travel to the area
- Your other family members don't need to take any precautions or make any changes to their own activities

Bearwood Primary and Nursery is a founding school of The Hillary Partnership. Registered in England and Wales –

If you become unwell:

- Please call NHS 111 immediately in order for you to be assessed by an appropriate specialist in hospital, as quickly as possible.
- Follow the Government's home isolation advice sheet <https://www.gov.uk/government/publications/wuhan-novel-coronavirus-self-isolation-for-patients-undergoing-testing/advice-sheet-home-isolation>

If you or your children have returned from a specified country in last 14 days

The specified countries are:

- China (other than Hubei)
- Hong Kong
- Locked down areas of Northern Italy
- Japan
- Macau
- Malaysia
- Singapore
- South Korea
- Taiwan
- Thailand

If you or your children are well:

- You don't need to avoid contact with other people
- Your other family members don't need to take any precautions or make any changes to their own activities

If you become unwell:

- Stay indoors and avoid contact with other people as you would with other flu viruses Follow the home isolation advice sheet <https://www.gov.uk/government/publications/wuhan-novel-coronavirus-self-isolation-for-patients-undergoing-testing/advice-sheet-home-isolation>
- Call NHS 111 immediately in order for you to be assessed by an appropriate specialist in hospital, as quickly as possible

Symptoms to look out for

If you've returned from the specified countries or Hubei, look out for the following symptoms:

- Cough
- Difficulty in breathing
- Fever (a temperature of 38 degrees C or higher)

If you have any of these symptoms:

- If it's an emergency, call 999 and tell them which country you have returned from in the past 14 days
- If you're unwell, but it's not an emergency, call NHS 111 and tell them which country you have returned from in the past 14 days

While you wait for further advice:

- Avoid contact with others
- Stay at home – don't go to work or school
- Don't travel while sick
