

Year 5

Maths

Times tables:

- Daily practise using times table rock stars <https://play.ttrockstars.com/>
- Daily practise using maths shed <https://www.mathshed.com/>
- Use the times table handout to play times tables games daily.

Division:

- Look at the written method for short division and practise dividing 2, 3 and 4 digit numbers by a 1 digit number
<https://www.bbc.co.uk/bitesize/topics/z36tyrd/articles/zgxdfcw>
- Complete the handouts in the pack, carrying out straight forward calculations and worded problems.

Other maths:

- Carry out the activities in the year 5 home learning pack focussed on Roman numerals, multistep problems, multiplying and dividing and fractions.

English

Spelling:

- Daily practise of spellings using spelling shed <https://www.spellingshed.com/>

Reading:

- Daily reading, and record this in your reading record.
- As you read, pick out words you are unsure of and clarify their meaning by reading around the word and using the context to help you work it out, then check it with a dictionary or device.
- Work through the reading comprehension pack, answering the questions fully.

Grammar:

- Recap what expanded noun phrases are and write a description of an image of your own choosing using expanded noun phrases
<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z3nfw6f>
<http://www.pobble365.com/> A fantastic resource to find different images
- Read and learn about relative clauses and complete the booklet in your pack
<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zsrt4qt>
- Carry out the activities in the year 5 home learning pack focussed on fronted adverbials and parenthesis.

Writing:

- Write a character description of a character from a book of your choice using a range of punctuation, a range of conjunctions, modal verbs and adverbs, parenthesis, expanded noun phrases, paragraphs, relative clauses and ambitious vocabulary.
- Carry out some of the activities from the pobble365 booklets, including story writing, sentence improvement and grammar tasks, linked to high quality images.

Project

Carry out research about rivers and present the information as a project in any way you choose (powerpoint, poster, labelled model, leaflet, video presentation, etc).

You could find out about:

- the journey of a river
- the features of a river
- local rivers
- rivers from around the world

There are resources here that could help you to carry out the research
