Learning, Enjoying & Succeeding Together

19th March 2020

Dear Parents/Carers,

The education of your child remains at the forefront, so in light of the announcement by the Department for Health to close schools until further notice, we have created a bank of resources to minimise the disruption to your child's education. A number of these resources can be accessed online and others will be coming home with your child today. For further information please see the following:

Maths:

- 2, 5 and 10 times tables
- Telling the time to the nearest 15 minutes

Reading:

- Your child will have 3 reading books so please continue to read daily with them.

SATs Practice:

- You have a pack of SAT's papers to work through with your child as practice. There are 2 reading papers and 2 maths papers.

Please continue to log in to Marvellous Me as further activities may be sent as and when appropriate.

As soon as we receive further information from the Government about re-opening we will advise you.

Yours sincerely

Laura Bennett
Headteacher
