Dear Parents/Carers,

The education of your child remains at the forefront, so in light of the announcement by the Department for Health to close schools until further notice, we have created a bank of resources to minimise the disruption to your child's education. A number of these resources can be accessed online and others will be coming home with your child today. For further information please see:

## Maths

- Maths Shed - Please complete the multiplication and division games set for you.
- You will also receive a fractions pack to be completed.

## English

- Spelling Shed - Please complete the spelling games based on year 3/4 common exception words set for you.
- Reading - Please read 2 books and complete the activities sent home in the pack based on these books.

## Research Project

- Research the meaning of the scientific vocabulary that will be sent home in the pack.
- Please research the impact humans have on the environment (both negative and positive). Create a poster to highlight the negative impacts we have on a particular habitat and what we can do to help this. Use the following link to help you:

As soon as we receive further information from the Government about re-opening we will advise you.

Yours sincerely

Laura Bennett  
Headteacher
