Dear Parents/Carers,

## Keeping in touch with the children

Thank you for all of your continued support following the closure of the school. As we look forward to next term it is really important that the children continue their positive relationship with their class teacher. We have been considering ways in which they can have a personal interaction with their teacher and have decided that each child will receive a weekly 5 minute phone call from them and one additional call over the Easter Break. It already feels like such a long time since we have spoken to them!

On the day that your child will receive their call, the teacher will send a Marvellous Me so that you know to expect the call. The call will be from a withheld number. If your child misses the call, the teacher will not try again but they will receive a Marvellous Me message to let them know that the call was missed and that they are thinking of them.

We recognise that for some children, this may not be something that they would enjoy and we kindly request that on the first time the teacher rings that you let them know that your child does not wish to be called and the teacher will no longer make a weekly call.

We hope that the children enjoy their weekly telephone calls. The teachers are looking forward to hearing about the children's learning and experiences whilst they have not been at school.

Yours sincerely

Laura Bennett  
Headteacher
