*Learning, Enjoying & Succeeding Together*

Monday 30<sup>th</sup> March 2020

Dear Parents/Carers,

As a school we will be setting activities for your child to complete on Purple Mash. In Oak 2 this will look a little different to the rest of the school. For children aged 3 – 5 there is 'Mini Mash'. This area has many excellent activities for your child to complete based on the areas of learning we would be doing in the classroom.

When you log onto Purple Mash you need to click on the 'Mini Mash' icon and it will take you to a virtual Reception classroom.

When you enter Mini Mash you will see this screen. By moving the arrow over the classroom and clicking your child can access different activities. If you click on the door you can access the outside classroom as well.

Inside the classroom are trays. I have opened a tray for each child. When they save work into this tray, I can access it as well as responding to it .

Your child will be able to access the rest of Purple Mash as well. After Easter I will set a phonics activity every day to be completed by your child. This will be in the '2do' section. Some will be to practise sounds they already know and others will be a challenge activity. Other areas on Purple Mash which are good to explore are 'Maths City 1' and '2' and 'Create a story'. I look forward to seeing all their fantastic work in their trays!

Kind Regards

Mrs Ramsay
