### General

A legitimate expense is a reasonable cost, which a Director or Governor has incurred in order to carry out his/her duties for the Trust. All expense claims should be submitted on a Trust Staff Expenses Form and receipts/relevant paperwork must be attached.

Authorisation of expenses must be as follows:

- The Vice Chair of the Board of Directors must authorise Chair of the Board of Directors expense claims.
- The Chair of each Partnership Board must authorise Partner expense claims.
- The Chair of each Local Governing Bodies must authorise Governor expense claims.

A 'reasonable' expense is one that factors in affordability, market rate, value for money and quality.

Expenses that Directors & Governors are able to claim for include:

- The reasonable cost of travelling to and from Trust meetings, on Director business and events. This can include the cost of using public transport, taxi fares and petrol allowances to the level permitted by HM Revenue & Customs (HMRC) before tax becomes payable;

- the reasonable cost of childcare, or care of other dependants (for example, an elderly parent) whilst attending Trust meetings;
- the cost of postage and telephone calls on Trust business;

### **Audit**

When considering expense payments, the Board of Directors will ask the following questions:

- Who will receive the payment - will it be a Director, or a person or business connected with a Director?
- What is the payment expected to cover?
- Is the payment clearly in the best interests of the Trust?
- Is there a legal authority for it?
- What conditions must be met if the payment is to be made?
- How will any conflict of interest be managed?
  - o A register of interests form must be completed by all Directors and will be reviewed at each Board meeting. Any Director with a conflict of interest may be asked to abstain from any discussion or vote that involves payment.

Directors and Governors expenses will be subject to external and/or internal audit.
