'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Article 29, UNCRC (United Nations Convention on the Rights of the Child)

WOW! Another busy few week...it has been lovely receiving your emails seeing what you have been up to, at home and at school!

We are also pleased to announce that we have over 70% of children returning to school from Monday! Therefore, next week will be the last week of teachers making phone calls to children. If you do need support, please do contact us still. Thank you.

Sasha has started simple piano lessons and is making a steady progress.

Well done Sasha, we will look forward to hearing what you can play!

Ethan has been busy working on similes, metaphors and hyperbole. He really enjoyed making comparisons between two unlike things. He made up some hilarious phrases about the things around him, which he shared with his family.

Keep up the great work Ethan!

Aiden and his family have been busy during lockdown creating flower beds and growing vegetables.

Great work Aiden!

Archie has completed his research project on the oceans. He investigated the Mariana trench, which linked to learning about biomes.

Great work Archie!

Zara and Ahmad have been busy raising chicks, which they bought on the day they were born, so they need a lot of tender loving care. They have made them a cardboard home with temperature maintaining at 33 degrees with a 100 watt lamp. Initially the chicks were feeding on mushy chick feed, twice a week they enjoy the treat of boiled egg yolk. In the pictures they are 10 days old. They all have new feathers now and are starting to try a little flight.

Amazing way to keep busy!

Max has been busy meeting up with some of his favourite animal friends and is really happy to be able to go back down to friends stables. Max has also been busy making portions from things in the kitchen cupboards and walking along the river Stour.

This looks all good fun Max!

Charlie has been busy having tennis lessons.

Great action shot Charlie!

This week's focus: Geography

<https://world-geography-games.com/> has a number of games split into different sections to learn about the world.

<https://www.bbc.co.uk/bitesize/subjects/zwr8mp3> Daily Bitesize lessons, which split into the different areas of the geography curriculum.

<https://www.3dgeography.co.uk/> A great website with different ideas on how to make geography 3D models, quizzes, worksheets, posters and much more.

<https://www.natgeokids.com/uk/> A fantastic website with lots of information and ideas about the world, competitions, games and a kids club.

Key Stage one: <https://www.bbc.co.uk/bitesize/topics/zyhp34j/articles/z4v3jhw> Explore the UK and the world with Freya and her family, with fun quizzes and games.

<https://www.bbc.co.uk/bitesize/subjects/zcdqxn> Daily Bitesize lessons, exploring the UK and the world. Also a section to go on adventures with Barnaby bear, exploring different countries around the world.

Key Stage 2: <https://www.bbc.co.uk/bitesize/subjects/zbkw2hv> Daily Bitesize lessons, which split into the difference areas of the geography curriculum.

Family Challenge: Create a geography quiz... Where in the world... what flag is this... famous landmarks...you play with your family or create one to play with friends virtually?

My Child at School — MCAS

Welcome to our NEW Communication System!

MCAS is a portal enabling parents to view their child's information. Currently parents are able to update their children's details including home address, contact numbers, email addresses and parental consents. In addition, you are also able to pay for products/trips if available to your child, view the school calendar, important documents and receive announcements. We will also be using this portal for Parent's Evenings in the future along with many other amazing new features. We are therefore asking that you use your Invitation Codes which were emailed to you to log on if you haven't already and activate your account. If you require assistance, please email the school. Thank you.

Please note: It is important to activate your account as SCOPAY will be stopping at the end of the school year.

Virtual P.E competition

To encourage children to be as active as possible whilst at home, we are inviting them to take part in the Dorset School Games Virtual Competitions.

This month there are two competitions; cricket and gymnastics.

Click on the links below which tell you how you can become involved.

<https://www.yourschoolgames.com/sgo/poole/>

https://www.pedssa.com/virtual-school-games-2/?_ga=2.75736338.620917004.1592325389-1170013311.1569352882

Remember to show us all the great work your doing, email the school newsletter account and use the following hashtags on social media sites. **#DorsetDailyDose #StayInWorkOut #StayInStayActive**

Follow Dorset games on Twitter **@SGO_Poole** and **@DorsetGames** or Instagram **@dorsetschoolgames**

Keeping in contact:

General Enquiries and Safeguarding:
