

## Year 3 Home School Agreement

In order for your child to make rapid progress this year and to catch up on lost learning, they are being given extra targeted support by a qualified teacher both within lessons and through small group interventions. For this to be most beneficial, we will also be sending personalised home learning for your child and would like your support as parents with this.

Please read the below home school agreement with your child, sign and return to school. If we all work together on this, we will be giving your child the best possible chance to succeed.

The school will:

- Plan and teach timely, targeted interventions in maths, reading and writing.
- Provide children with support in lessons from an additional qualified teacher.
- Assess children's learning weekly against targets and adjust teaching appropriately.
- Work closely as a team to share children's learning progress.
- Send weekly, online, personalised home learning in maths, reading and writing based on learning from the previous week.

Parents will:

- Encourage children to complete all home learning set, such as Spelling Shed assignments, Times Table Rockstars practice and specific writing tasks.
- Read regularly with children and record in reading record.

Pupils will:

- Try your hardest at school and home with your learning.
- Complete home learning given to you by your teachers.
- Read at home regularly with someone at home.
- Practise times tables regularly at home.

Signed:
