Learning, Enjoying & Succeeding Together

27th November 2020

Dear Parents/Carers and Children,

Our annual inter-house Christmas tree decorating competition can't take place this year so we have come up with a new Christmas competition that will bring our school community together in a safe and socially distanced way.

We are challenging every child to create a small Christmas tree decoration using recycled materials. Every class will be working on this challenge on **Wednesday 16th December** with the classes linked via Zoom so we can get in the Christmas spirit as a whole school. Barratt Homes have kindly offered a £10 Amazon voucher for the best decoration in each class.

In order to make this a success, we will need lots of SMALL recyclable materials from home. These could include plastic bottle tops, small bottles, corks, lollipop sticks, twigs, cardboard and mini yoghurt drink bottles. There is a wealth of ideas on the internet and you may want to have a look at ideas before the big day. With this in mind, please collect and bring items in for your class box. These need to be in school by **Friday 11th December** so we can quarantine them. If there are specific things you want to use for your decoration, please bring them in a clearly named plastic bag by this date.

We can't wait to see what the children create and look forward to putting on some festive tunes and getting creative as a school community.

Yours sincerely,

Kate Gunstone
Reception Teacher and Pupil Premium Leader
