Learning, Enjoying & Succeeding Together

4th January 2021

Dear Parents and Carers,

Remote Learning – EYFS

We will provide online remote learning for all pupils, apart from critical worker and vulnerable children, from Tuesday 5th January until further notice. This will consist of remote learning at home in the form of Zoom . Each day will be a mix of 'live' teaching, where the class teacher will be delivering new learning and planned activities that the children can complete with you at home. When children join the Zoom sessions for English, Maths and Phonics, it would be helpful if they have their writing packs with them so they are ready to take part in the learning. Zoom links will be sent via Marvellous Me each day for the morning and afternoon. Please ensure that your zoom account shows your child's name so that the teacher is able to admit the pupil safely in line with the safeguarding guidelines. The timetable is as follows:

Time	Session
9.15- 9.45	Good morning / English input
10.30 - 11	Maths input
11.30 - 12	Phonics
1.00 – 1.30	Handwriting / Topic learning
2.35 – 3.05	Singing/Dance/ Story

In between the live teaching times we will invite your child to have a go at activities independently using their writing packs or in a play-based activity. If your child would like to share the outcome of the things they have created please send a photograph of their successes to our class email where we will be able to see this as well.

Guidance for using Online Remote Learning

Before accessing online remote learning, please read through the following carefully and ensure your child is clear of the expectations of their behaviour when using online learning platforms:

- It is important to consider that your teacher and other members of staff regularly monitor online learning platforms and therefore, any file or message shared can be easily seen and checked.

Bearwood Primary and Nursery is a founding school of The Hillary Partnership. Registered in England and Wales –
Number 10286967

Registered office Unit E, The Mill Yard, Nursling Street, Nursling, Southampton, England, SO16 0AJ
An Exempt Charity and Company Limited by Guarantee, VAT registration number: 197 0569 67

- When sending messages or files, please remember that it is an educational tool and that what you send must be related to the topic.
- Please remember you will only be able to send messages to the whole class and teacher so please consider that everyone will be able to view them.
- Please remember to take care in your work and although completed on a computer, you are still including the correct grammar and taking care in your spelling.
- Make sure you are in a quiet area if possible and an adult is with you or aware that you are online.
- Please remember that your class mates and teachers can see you so please make sure you dress appropriately.
- Please follow your teachers' instructions and speak in turn to limit any distractions.
- Make sure you do not give your email or password out to anyone and inform your parent/carer if anyone asks you for it.
- If you are contacted by anyone you are unfamiliar with through any online learning platform, please do not respond and inform your parent/carer and also the school.
- Please remember that although you may not be accessing learning in the class environment you are still being respectful to both children and adults. This refers to both speaking during meetings and messaging. Read through any messages you are going to send out loud first to avoid any misunderstandings.
- Please be aware that meetings may be recorded to allow children to view it at a later stage.

Please contact the Teacher Contact email account teacher@bearwood.poole.sch.uk if you require further support to access online learning and live lessons.

Kind regards,

Laura Bennett
Headteacher
