Dear Parents and Carers

RE: Year 6 Learning from home.

Thank you so much for your continued support with home learning and we are all getting into a routine. Each week we review the provision we are providing and consider how we can improve the learning experience for all pupils.

Below are a few simple adjustments that I feel would make a huge difference and would welcome your support.

Please can you encourage your child to be online at 11am, some pupils are joining late and this means that the lesson starts 10-15 minutes late. This is a loss of valuable learning time and slows the pace.

I am also going to remind the pupils where to upload their work at the end of each lesson, currently children are not matching their written work to the lesson on see-saw. Sometimes I am unable to find their work which may lead to them being placed in the wrong group the following day.

I also know that they like to have their phones with them but I am going to request that during zoom lessons that they do not have them as an additional device as this is distracting them from the lesson.

If you would like to discuss further please do not hesitate to contact me through the office.

Yours sincerely

Mrs Julie Hunt
