

Bearwood School Council

Article 12

You have the right to give your opinion, and for adults to listen and take it seriously.

Friday 5th February 2021

This is what we talked about:

- **Safeguarding - Internet safety is an area which we need to explore more.**
- Focus is on home learning.
- Children really enjoyed the well being afternoon and liked that they were able to choose different activities. They also liked that it was time away from screens. Izzy liked that it gave her time to make something for her sister's birthday.
- Betty enjoyed baking with her family.
- Lewis enjoyed colouring and being able to choose - we reflected on the activities, we noticed that they could be adapted to being at home which was great.
- Children really liked that there will be more - they suggested different themes - shared that the next one will have a focus on fitness and health.
- Lily shared that she is undertaking an exercise challenge to raise money for Cancer Research and this is to complete 10,000 every day for a whole month.
- Times tables challenge - think that it would be great to do in houses - knock out rounds using timestables rockstars challenge feature - can earn house points for 1st, 2nd and 3rd for each round. Mrs Wall will discuss with teachers how we can make this work.
- Lily has requested a spelling competition afterwards.
- Sienna has requested an art challenge - create a sculpture/piece of artwork in a period of time.

- **Thank you**

This week we decided on....

- Times tables challenge.

In class council can you discuss...

- Home learning how it is going - how could it be improved? What would you like more of ?

Thank you
