This is what we talked about:

- **Safeguarding - Internet safety is an area which we need to explore more.**
 - Timestables rockstar competition went well - even better if more children took part - so we need to think about how we can encourage more people to join. Promote more competitiveness during the competition.
 - Easter activities - plastic eggs and hide things inside - easter egg hunt within your class link eggs found to win house points - different eggs have different values.
 - Chocolate bingo event within classes
 - Steps to Tokyo - can we do the miles to get there is this possible it would be possible if each child does 30 miles in 4 mths we would get there
 - Betty shared that often children will only do things if they get prize - everyone likes a prize is this right - should we do things to have fun?
 - Would we like a reading challenge - prize could be books for your class.
 - Children really like the well being afternoons and would like an Easter themed one.
-
- **Thank you**

This week we decided on....

-

In class council can you discuss...

- Discussion around being motivated by rewards or taking part. Some children are only motivated by rewards - is this right?
- Ideas for Easter activities for houses.
- Art challenge - for Easter - spring theme what could be used - it was suggested that it could be like the well being afternoons which the children enjoyed.
- Explore how we can ensure that we have house competitions for the summer term
- Walk to Tokyo was suggested as a 4mth challenge where each child walks approximately 30 miles and we can track this.
- Reading challenge what could it look like -
-

Thank you
