Thursday 29<sup>th</sup> April

Dear Parents/Carers,

I would like to invite you to an information session called '**Helping your child to manage change**'. During these sessions I will share information and advice to enable you to confidently help your child with their transition to secondary school. These sessions are for parents and carers only. The children themselves explore the topic of transition through their weekly PSHE lessons and undertake a wide range of project work designed to help them develop the skills they will need to embark confidently on their next steps in education.

You may think it very early to be thinking about transition but we know from experience that the children who experience the smoothest and most positive transitions are those who prepare for changes well in advance.

The sessions will take place on **Thursday 6<sup>th</sup> May** via **Zoom** and there will be two identical sessions during the day to allow for maximum participation. These will take place at **11:30am** and **5:30pm**. Please find below the information you will need to join the Zoom sessions. Due to the sessions being virtual there is no requirement to register your interest in advance.
