

Bearwood School Council

Article 12

You have the right to give your opinion, and for adults to listen and take it seriously.

This is what we talked about:

Safeguarding - Internet safety is an area which we need to explore more.

Would you like to be involved in the football on the 26th May - Schools football Association is having a football week 24th to 30th May. We could do class interhouse football skills eg beat the goal keeper, dribble round cones, mini matches etc - lots of children interested

- Transition - what do you want to know **children would like to know who their teacher is going, want to know how moving class will change their timetable, how will the tables be arranged, part of the transition day will be to include a time where the class can share what they have enjoyed in their current class and maybe would like to continue in the next eg Draw with Rob, would like to know a bit about their teacher eg pen portrait**
- **Secondary school - which form you will be in , what subjects you will be doing**
- **Yr 6 are disappointed that they have not been able to sit on the benches so would like this at their leavers.**
- **What they thought of Easter activities - they really enjoyed them, fun and exhausting in good way. Would like to do it again next year.**
- **The Big Ask - The children's commissioner would like to know your views - <https://www.childrenscommissioner.gov.uk/thebigask/> - some children would like to do this at home can we Mme the link so that they have at his home**
- **Raised lunchtime floor - children are concerned about the amount of food of the floor.**
- **Mrs Chesterfield has made the fabulous displays**
- **Children raised concerns that they are not having the time to do the daily mile - discussed the possibility of doing this at beginning /end of breaks - using a different space eg playground or field (9 laps of field is mile).**
- **Show a tell display how can we share something about ourselves.**

- **Thank you**

This week we decided on....

- **In class miles - logging your miles - 9 laps of playground is a mile - discussed apps**
- **Huge apologies about the boxes - I will ensure that I bring them in tomorrow.**

In class council can you discuss.

- How can we improve the floor in the hall as some children are concerned about the amount of food on the floor and that they are having to put their feet in it.
- Agree as a class how you can increase your miles as we are going to really struggle to get to Tokyo - Adults in your class can also contribute to the miles.
- Show and tell - Zuzia would like to find a way where

Thank you
