

# Bearwood School Council

## Article 12

*You have the right to give your opinion, and for adults to listen and take it seriously.*

Thursday 13<sup>th</sup> May 2021

### **This is what we talked about:**

**Safeguarding - Internet safety is an area which we need to explore more.**

- How in each class can we ensure that we are not pushing each other to get lunch etc **you can move away, some classes are taking turns, lunch trolley monitors, great ideas about turn taking,**
- How you are going to increase your miles to get us to Tokyo - think about ways that they can achieve the goal - **classes are pleased to report that they are increasing the miles**
- Teachers who are not linked to classes could adopt a class to add their miles to -

Classes would like a turn using the gym equipment for your time - would you like this ? could we set up a rota to enable this to happen - **yes please and classes would like to keep equipment for a class following COVID restrictions**

Zebra crossing being put in - it will take 3 weeks for it to be put in place - whilst this is happening and the disruption during the works this will be a good opportunity to walk and gather more miles.

- It has hugely improved - house points one table chosen each day by their lunch sup and they give names to class teacher - they would like it judged at the end to ensure that if children are given opportunity to pick up items - dust pan and brushes / include manners and behaviour - keeping the lunchtime charter

Please remind everyone in your class of our lunchtime charter which is next to the wow display at front of the hall:

We have the right to:

Nutritious food

A clean area to eat my lunch

Have time to eat all my our lunch

To have a quiet and peaceful place to eat

See good manners all around me

Feel safe

- Agree as a class how you can increase your miles as we are going to really struggle to get to Tokyo - Adults in your class can also contribute to the miles. How are the miles going - **shared that this is much improved**
- **Governors - they would like to let the children of Bearwood know a little more about our Governors - Can you think of some questions that you would like answered by them.**
- Mrs Wall will speak to Mr Lee about guttering
- **Thank you**

**This week we decided on....**

- House points for the best table at lunchtimes for each class - this is for keeping the lunchtime charter.

**In class council can you discuss.**

- Think of some questions that you would like to ask our governors
- Can you talk about car park - following lock down being open
- Ensure that worry box is available and reminded

Thank you
