Summer Term Reading Challenge!

School council have asked for a reading challenge to expose children across the school to different types of reading they could do.

Your challenge, should you choose to accept it, is to read one thing from each box below. This could be independent reading, or you might like to share the reading with someone in your family. When you have read one thing from a box, please write exactly what you have read in that box below.

Once you have completed the challenge, hand your form back to your teacher - by **Friday 9th July** at the latest. Everyone who completes the challenge will go into a prize draw for their class and one person will be chosen to receive a £10 book voucher.
