Monday 19th April
to Friday 23rd July

AUTUMN TERM 2021

Thursday 2nd September to
Friday 17th December 2021

Half Term

25th to 29th October 2021

INSET Days 2nd & 3rd September

'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

Headteacher's Update

It was wonderful to see our Year 6 go to Osmington this week for their residential. There was a mixture of emotions from our pupils which is to be expected and is all part of the whole experience. I was fortunate enough to join them for dinner on Wednesday night and already there were so many stories to tell. The children have taken part in many activities including, archery, giant swing and dragon boat racing. The children do have down time where they can relax and I particularly enjoyed seeing how many of them played card games together. They are certainly creating some very happy memories.

Walk to Tokyo

We are delighted to announce that as a school we have smashed our target of walking to Tokyo. We have collectively walked 6477 miles which is a huge achievement. I have enjoyed listening to pupils telling me about their week end walks with their families and many individuals have contributed significantly to their class targets. I am pleased to say that year 6 are the winning class for walking the most miles and they achieved an incredible 1651 as a class. They are busy choosing some games equipment which they can enjoy as a class.

Assemblies

The theme of our Monday assemblies is 'change'. We have been thinking about different types of change, expected change e.g. seasons, moving classes, unexpected change such as something breaking or the weather, changes you do not notice - getting taller and the changes that you can make for yourself - improving a skill. We have explored the different emotions that we experience with change and how we manage our emotions. They have recognised that if they talk about how they are feeling that this helps to manage their behaviour.

New Breakfast Club and After School Club provision

We look forward to welcoming Fit for Sport to our school in September who will be providing our wraparound childcare. Children can enjoy fun and energising sports and team games, build confidence through learning new skills and enjoy enhanced wellbeing with fun activities that help reduce stress and anxiety. You can

enjoy a free trial session using the code: **FS21-BEARWOOD** when booking at <https://www.fitforsport.co.uk/extended-school-clubs/booking-information#>

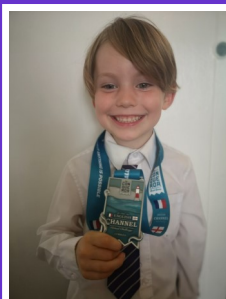

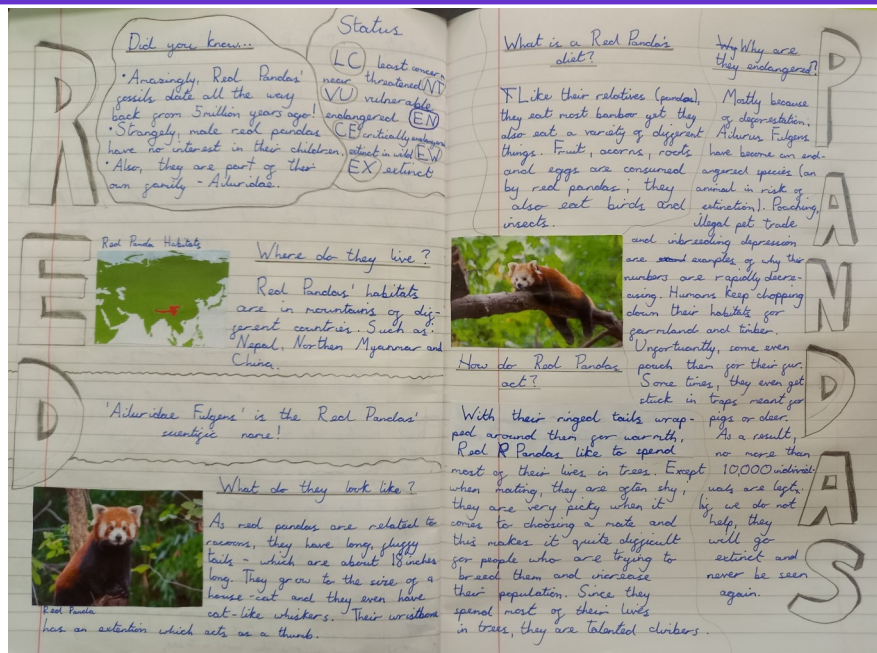

They also offer flexible payment options allowing you to book now and pay later.

H A M W I C K T R U S T
EDUCATION

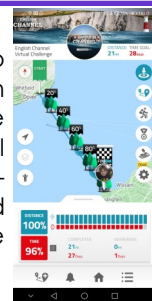

Outstanding work

Chloe in Maple 2 wrote this fantastic non-chronological report on one of the World's endangered animals, the Red Panda.

Running for Victor-y!

Victor in Holly 1 and his dad had a look at some virtual races they could try out to keep fit and active. Victor decided he wanted to run the English Channel...an incredible 21 miles! They split race into 4.2 mile chunks and Victor ran for the whole time with no walking. He was incredibly dedicated and ran through all weathers including torrential rain! The race organisers also planted a tree for every fifth of the journey which gave Victor something to strive for also and he and his dad talked about the environment and how crucial trees are along the way. They have signed up for Everest next!!

Making miles for Charity

Madeline in Holly 1 has just completed a fundraising challenge for a charity that supports injured/amputee military veterans. The whole family challenged themselves to take part in the 'Pilgrim Bandits 100 Mile Challenge in June'. Of the 100 miles they collectively completed as a family, Madeline completed 26.3 miles herself on long walks or cycling on a tandem bike! They have so far raised £250 for the charity. Her mum and dad are very proud of her - she would often say "we must do our miles today, people are counting on us"!!

Parking around school

We have received complaints from some of our neighbours in Barons Road and Wheelers Lane about parents parking up and leaving their engines running. We're sure you can appreciate that the fumes and noise can be unpleasant through open windows and we ask that parents please park respectfully. Thank you ☺

Spring Term 2022

Tuesday 4th January to

Friday 8th April 2022

Half Term

21st to 25th February 2022

INSET Day 4th January

Summer Term 2022

Monday 25th April to

Friday 22nd July 2022

Half Term

30th May to 3rd June 2022
