

Bearwood School Council

Article 12

You have the right to give your opinion, and for adults to listen and take it seriously.

Thursday 1st July 2021

This is what we talked about:

Safeguarding - Internet safety is an area which we need to explore more.

- Really enjoyed Sports Day - feel that the vortex needed replacing as some were broken and they felt that some had an unfair advantage.
- Really liked that there were only 2 classes on the field at a time.
- Would have liked more practice time
- Would have liked more activities and they really enjoyed the event, more hurdles, a range of throwing activities, egg and spoon, long distance run....we do know that some events were not possible due to Covid.

Would like to know the results of sports day -

5th - Eleanor - 323

4th - Queen Anne - 325

3rd - King Richard - 348

2nd - Runnymede - 401

1st - King John - 409

- Discussed the reading challenging which the children are enjoying discussed different books we have read and ones that other children may like.
- Children would like more kindness activities - a focus on being kind to each other
- Children would like to use the Orchard more - they would like to challenge ourselves to use the orchard more.
- Worry box - some classes have used this in lessons when they have questions that they would liked answered.

This week we decided on....

Show and tell do this when Covid is more relaxed.. bring a pet day safe,

In class council can you discuss.

- Worry box - could this be used for asking questions that they would like answered...often there are questions that children might like answered about anything that may be too embarrassed to ask...possibly Big Think ideas where as a class they can ponder things.
- Acts of kindness - what could we do ?
- How could you use the Orchard more as a class? Could you think of some learning which could happen out there to encourage more use.

Thank you
