Learning, Enjoying & Succeeding Together

Wednesday 8th September 2021

Dear Parents and Carers,

At Bearwood Primary and Nursery School, we're always looking for ways to extend our students' learning. That's why, as part of our school improvement programme, we are now using CENTURY – a ground-breaking online learning platform.

What is CENTURY?

CENTURY is an online learning tool for students in key stage 2. It combines artificial intelligence with the latest research in learning science and neuroscience.

The platform identifies every student's strengths, gaps in knowledge and misconceptions. Students can log in and complete work that has been suggested for them by the advanced recommendation engine, or work which has been set by teachers.

It allows students to take control of their own learning and for teachers to get real-time data on progress, allowing them to quickly identify which students need support or additional challenges.

What does this mean for my child's learning?

CENTURY will complement existing teaching methods. Teachers in key stage 2 will be incorporating CENTURY into the classroom, using it to support learning, helping to extend and challenge children, as well as supporting catch up where it is needed. They will also be using it to set home learning activities.

Accessing CENTURY

Students are able to access CENTURY at any time and anywhere. It is available to them in school and also at home. All they need to do is visit the CENTURY website, <https://app.century.tech/>, and log in using their details, which will be given to them by their teachers.

The platform can be accessed from tablets and laptops on up-to-date versions of most common browsers. The best browsers are Chrome on PCs and Android devices and Safari on iPads.

What does this mean for my child's personal data

CENTURY is fully compliant with all relevant data protection legislation, including GDPR and has processes in place to ensure data is secure. Personal information, such as names and dates of birth are authorised to be shared by the school according to the data sharing agreement signed by all parents.

How do I find out more?

If you have any questions about CENTURY, and its use in school or at home, please contact your child's teacher in the first instance.

Kind regards,

Mrs N Guarguaglini
