June

'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

### Headteacher's Update

As we approach the end of term, we have certainly felt the temperature change and the dark nights close in. There have been a number of winter/Christmas events which we know the children will enjoy and the presence of the Christmas tree in the hall and in the foyer always causes great excitement. Further correspondence will be sent out shortly about the events and Christmas arrangements.

We also wish Mrs Wall all the best in her secondment as Interim Headteacher to Henbury View First School for two terms. We are delighted that we have internally recruited as interim Deputy Headteacher, Mrs Guarguaglini. Mrs Guarguaglini will carry out her new role for three days of the week and will remain in Year 4 for two days. Mrs Preston has sadly resigned for personal reasons and will be leaving us at Christmas, we would like to wish her all the best for the future. For continuity for both classes, Mrs Mitson will be job sharing in Year 4 from January with Mrs Guarguaglini.

We are thrilled to have recruited Mr Rockstar, who the Year 3 children had as a student in Year 2, as the new full time teacher from January.

We appreciate your support in continuing to test your children should they present with new illnesses. Although we have confirmed Covid cases this week, we are beginning to see other seasonal illnesses, which have similar symptoms. If in doubt then please get them tested.

Finally, I would like to take this opportunity to wish you and your family a Merry Christmas and A Happy New Year.

**Please can we remind everyone to be mindful of our neighbours and park considerately in surrounding areas. The Traffic Enforcement Officers will be attending on an adhoc basis.**

On Friday 10 December we will be taking part in Save the Children's Christmas Jumper Day. We're asking families to donate £1 (or however much they can give), to support children in the UK and around the world. By taking part we'll be helping kids who don't have the basics they need to survive – like food, school or medicine – to start seeing the magic in the world again.

To make donating easier and safer this year we've set up our own Just Giving page. You can donate directly here:

<https://christmas.savethechildren.org.uk/fundraising/CJD210025622> Please note, JustGiving only accepts a minimum donation of £1. Therefore, if your donation is less than £1 you can: Donate via Save the Children's website at [www.christmasjumperday.org](http://www.christmasjumperday.org). Please use our school's reference number CJD210025622 on any donation made. The donation form will be live closer to the big day!

We'd really appreciate your support to make Save the Children's Christmas Jumper Day a success. Together, we can make the world better with a sweater.

#### KEEPING YOUR CHILDREN SAFE:

Our duty of care when Safeguarding all pupils.

Staff at Bearwood Primary and Nursery School are considered to have the same duty of care as a parent when pupils are in school. It is our joint responsibility to ensure that children are protected from harm to their health and development and to ensure that they grow up with safe and effective care.

All staff have a responsibility to Recognise, Respond, Report, Record and Refer any concerns that they may have about a child's welfare.

If a child comes to school with an injury:

- we will ask the child how it happened.
- we will talk with parents and carers
- we may ring MASH (multi-agency safeguarding hub) to ask for advice on how to respond
- we will record conversations that we have to safeguard all parties
- if a child sustains a series of accidental injuries we may ring the Local Authority Safeguarding team for advice and guidance. They may recommend that we share our concerns with the family, or a referral to investigate further.
- 

As professionals we are encouraged to be professionally curious and talking to pupils and families is the best way to achieve this.
