This is what we talked about:

Please keep the cloakrooms tidy.

Please be careful when crossing the playground if people are playing sports to reduce risk of getting hurt.

- **Safeguarding**

- No concerns.

- **Wet Play Games - Miss Prince**

Miss Prince will come and talk to use next week.

- **PE movement menu**

- We reviewed the movement menu we have been trialling.
- Year 6 enjoyed it and want to use it more and add different activities.
- Year 5 need to revisit this.
- Year 4 are positive about it. They enjoy the Daily Mile in particular.
- Year 3 need to reintroduce this now they have a new teacher.
- Lower school need to revisit.
- Come back with new ideas that we can add to improve it next week 😊

- **AOB**

Chalk competition - can we start planning with Mrs Goodfellow?

Year 6 might like a nerf war as end of year reward run by Adventure Pirate like at the school fair at couple of years ago - Miss Webster will make Mr Longland and Mrs Bennett aware.

Keen for another STEAM day; please can we plan?

Year 4 have noticed the round house is being damaged. Please do not pull straw out of the thatch.

Year 6 need to be less competitive about sports; to be sorted in class council 😊
