

# Bearwood School Council

## *Article 12*

*You have the right to give your opinion, and for adults to listen and take it seriously.*

Friday 14<sup>th</sup> January 2022

### **This is what we talked about:**

- **Health and Safety**
- Ice - take care in cold weather. Mr Lee has been gritting to keep us safe 😊
- Y6 are concerned that there are too many children in the toilets at breaktime.
- Please try to keep the cloakroom tidy - the bags being brought in are bigger and this is causing an issue. If the cloakroom is not tidy it may be a return to book bags which KS2 are not keen on.
  
- **Safeguarding**
- No concerns.
  
- **Wet Play Games - Miss Prince**
- Miss Prince has revamped the Wet Play Games. Mummy Prince has help sort them out as it was such a big job!! From over 100 games, there are less than half the games left as so many had pieces missing/broken.
- There is now a plastic box for each class that will live underneath the sink in your classroom.
- As a class, please come up with a charter for how to keep your games safe. When it is time to buy some more, we will be looking at the boxes to see how they have been looked after and the classes who have looked after them best will have first choice of new games.
- As a class, come up with a list of games you would like for the first meeting after half term. Miss Prince will review these and order for those who have looked after their games.
- School Councillors will show you the games - please use and enjoy them but look after them 😊 Miss Prince will be giving Councillors a label for the class box.
- There are jigsaw puzzles in the cupboard in the Community Room. School Councillors/House Captains can collect these as wanted.
  
- **PE movement menu**
- To be reviewed next week as we ran out of time.
  
- **AOB**
- Lots of tennis balls are missing - we don't have enough for PE lessons. Please don't

help yourself to equipment from the PE store. Miss Webster will take Y6 on a hunt round the grounds.

- **Thank you**
