

# Bearwood School Council

## *Article 12*

*You have the right to give your opinion, and for adults to listen and take it seriously.*

Friday 18<sup>th</sup> March 2022

### **This is what we talked about:**

- **Health and Safety**
  - None
  
- **Safeguarding**
  - No concerns.
  
- **Sense of Belonging in Houses**
  - Mrs Bennett has given the green light to have house point tokens again. House Captains will put them in each week using the tally scores. Year Six suggested different colours for each house but this might complicate it a bit too much. New tokens will be ordered and all the existing ones have been collected.
  
- **Pupil Voice**
  - Debate assemblies: These will now be happening once a half term in KS2 in classes.
  - Whiteboard by the house point board: We discussed trialling a whiteboard for a week.
  
- **Trim Trail**
  - Mrs Wilson has sorted this and it is now back in use.
  
- **Thoughts on Learning**
  - We reviewed Class Council discussions about how you feel about learning in your classes. What are the lessons like and what would make it better for you as pupils?
  - Year 1: use the ICT suite more
  - Year 2: more science and more practical
  - Year 3: more art
  - Year 4: more swimming, more learning outside, more forest school. More opportunities to choose who you work with.
  - Year 6: different lessons in the morning so it is not always the same routine. More topic lessons.
  
- **AOB**

- Please can we have the ICT suite open at lunchtimes as the rules are easing? We will see if we can sort staffing.
- Can we check the rule on football on lunchtime; is it allowed?
- Can Your Time go back to normal?
- Year 6 would like Rock Reef as a leaving event.
  
- **Thank you**

**This week we decided on....**

- Trialling a whiteboard for school council discussion ideas next to the House Point jars. We will review how this has worked next week.

**In class council can you discuss...**

- Trips, visitors and opportunities you would like in your class (no promises but teacher can take your ideas! 😊)

Thank you

- **The next meeting will be Friday 25<sup>th</sup> March**
