'Every child has the right to an education which develops their ability, personality and talents to the full. It should encourage children to respect human rights and their own and other cultures. It should also help them to learn to live peacefully, protect the environment and respect other people.'

**Article 29, UNCRC (United Nations Convention on the Rights of the Child)**

## Headteacher's Update

I am delighted to announce that Mrs Guarguaglini has now officially been appointed as Deputy Head Teacher of Bearwood Primary and Nursery School. Well done Mrs Guarguaglini!! It has been so nice seeing all the clubs running this week. There are still spaces if you would like to sign up your children. It was also so lovely to hear the after school music lessons back in action!

### Polite reminder– jumpers

Please can we ask that all jumpers and cardigans are clearly named. As the warmer weather is coming our children do tend to abandon their jumpers during break-times. It is so much easier to return them to their rightful owners if they are clearly named. Thank you.

Jubilee Day Please remember that we will not be in school on **TUESDAY 3RD MAY**. Schools are able to select an additional day, as the Diamond Jubilee falls during the Summer Half Term. We have chosen to take the day after the May Bank Holiday.

**Please can we again remind everyone to be mindful of our neighbours on Barons Road and surrounding areas and park considerately, please do not park across residents driveways!**

**\* PLEASE DO NOT PARK ON THE ROUNDABOUT TO DROP YOUR CHILD OFF \***

**Traffic Enforcement Officers will be attending on an adhoc basis.**

Charlotte will be with us in school on Mondays and Thursdays and she will be running a range of parenting programmes and groups as well as sessions with some of our children. She will also be available for one-off sessions for parents/carers who would like advice, support or guidance with a range of parenting concerns including routines and boundaries, positive behaviour management and signposting to local support services. Charlotte will be hosting a coffee morning on **Monday 23<sup>rd</sup> May** from **8:30-9:30am** to introduce herself. Please pop along to the Community Room after drop-off for a coffee and a biscuit and to say hello!

#### What is County Lines?

County lines is a form of criminal exploitation. County line gangs use young people to prepare, store, deliver and sell drugs around the country or within the local communities by using coercion, intimidation, debt bondage (creating a debt the child has to pay back), violence and/or grooming. The 'lines' refer to mobile phones that are used to control a young person who is delivering drugs.

#### What are the risks to young people?

- Young people may have to travel long distances to places they do not know, visiting or staying at unsafe properties to deliver and/or sell drugs and return the proceeds of the sale.
- Exploiters are known to stage "muggings" where young people are robbed of these drugs or money and can be subsequently punished through violence; this is to instil fear and create a debt to the exploiter. Threats and violence to control young people is a major feature of county lines exploitation.
- Many young people who are being exploited through involvement in county lines will carry knives and weapons for protection, raising the risk of serious injury.

#### How can children be protected from harm?

All staff at Bearwood Primary and Nursery School have received training in county lines to help them recognise the signs of involvement in county lines and how to report safeguarding concerns appropriately. If you have any questions about county lines, please contact a member of the school safeguarding team.

#### **Safeguarding/Child Protection**

Bearwood Primary and Nursery School is committed to the safeguarding and welfare of children and expects all staff and volunteers to share this commitment.

**If you have any concerns**, please contact the following people through the school office:
