This is what we talked about:

- **Health and Safety**
- Picnic bench outside Willow 1 - the seat is broken. Another one is not joined to the floor so children are picking it up - please remind children not to do this.

- **Safeguarding**
- No concerns.

- **ICT Suite**
Some classes don't know when it's their turn to go in at lunchtime- can we get a timetable put up on the door of the ICT suite? Grace to speak to Mrs Wilson and create timetable and pass to Mrs Goodfellow.
- Mr Longland to check which computers work in the ICT suite as lots not working?

- **Curriculum**
- School Council would be very keen to have a visit from an author....
- There is some money available to bring the curriculum to life. How would you like to see this being used?

- **AOB**

- **Playground equipment request - giant lego, tables for card games / quiet reading. Calm area - the circle? Mrs Goodfellow to talk to Mrs Bennett.**

- **Where is the buddy bench from the circle? Mrs Goodfellow to talk to Mr Cooper.**

- **Does the screen still work outside and could we have something on it at breaktimes?**

- **Thank you**

This week we decided on....

- We would like the whiteboard to be put up next to the House Point jars so that other children can contribute ideas for discussion.

In class council can you discuss...

- Trips, visitors and opportunities you would like in your class (no promises but teacher can take your ideas! 😊)
- Year 4, 5 and 6 - please choose 2 people from your class to join Mr Cooper on a weekly litter pick during morning break

Thank you

- **The next meeting will be Wednesday 25th May at 3.00**
