*Learning, Enjoying & Succeeding Together*

20<sup>th</sup> June 2022

Dear Parents & Carers,

## **POTENTIAL WILLOW 1 CLASS TRIP**

We are looking to arrange a visit to The Etches Collection Museum and Kimmeridge Bay, as part of our learning about 'What lies beneath the surface?'. This will be a full day of exploring where the children will get a real feel for how fossils and different rock types form with hands on, exciting and enjoyable learning. The children will have a guided tour of the museum as well as completing activities on site, walk the Kimmeridge walking trail and receive expert knowledge at Kimmeridge Bay where children will be able to see fossils and rock formation in the real world!

We have been able to arrange this activity for the price of £18.22 per child, which includes transport and museum entry. We recognize that this is more costly than children's previous learning activities however, due to COVID, the pupils have not had a trip this year so we have made the decision to offer this one main trip and make it into an unforgettable experience. The children will really benefit from the Etches Collection's wealth of knowledge.

Unfortunately, if we do not receive enough voluntary contributions, we will not be able to go ahead with the visit. Therefore, we are asking for parents and carers to make a commitment to pay before we make a booking. **You can make payment now via your MCAS App (under "Products" rather than "Trips") or please email to confirm your commitment to pay via [school@bearwood.poole.sch.uk](mailto:school@bearwood.poole.sch.uk) by Friday 20<sup>th</sup> June.**

Thank you for your support in this matter.

Yours sincerely,

Mr Rockstar
