## STEAM Day

Science, Technology, Engineering, Art and Maths

Dear Parents and Carers,

We are delighted to announce we will be having a whole-school STEAM Day on Wednesday 5<sup>th</sup> October led by STEAM Co. This event is to help bring some excitement and inspiration to the whole school community. While it does have a space theme, the underlying messages are broad and cover aspiration, inspiration, inclusion, innovation, determination and creativity.

With the help of STEAM Co., we would like to provide the children with an understanding of STEAM careers and inspire them to consider and pursue STEAM careers in the future. After a whole-school Assembly, every class from Nursery to Year 6 will have the opportunity to take part in a range of activities incorporating Science, Computing, Art and Engineering which will be led by STEAM experts.

As part of the activities, the children will need cardboard and we ask that your child brings in any corrugated cardboard boxes, cereal packets and toilet roll holders you have available.

At the end of the day, our STEAM experts will be firing a rocket in the playground which parents and carers are welcome to join for. If you would like to join us for the rocket launch, please meet on the playground for 2:45pm.

Yours sincerely

Mr Longland  
**Maple 2 Teacher**
