Dear Parent(s)/Carer(s)

Transfer to Secondary School - September 2023

Your child is due to transfer to secondary school in September 2023 and you have the right to express a preference for the school you would like your child to attend.

Please take the time to read this letter and the enclosed guidance notes which give useful information about applying for a school place. "The Parents' Guide to School Admissions for 2023" is also available to read [here](#). The Guide includes individual school admissions policies and other helpful information.

If you have registered your child for any academic tests, this is not the same as making an application. You will still need to apply by the closing date which is **Monday 31 October 2022**. If you do not get your application in on time you may stand less chance of getting your preferred school.

You must apply through the Local Authority where you live, even if your preferred school is in another area. If you live in Bournemouth, Christchurch or Poole you can apply [online](#) or ask for a paper application form from Children's Information Service on 01202 123222 or cis@bcpcouncil.gov.uk

If you need to make any changes after you have submitted your application (e.g. change of address or preferences) you must notify the School Admissions Team in writing or by email. If you apply online we will not be aware of any changes you make once we have downloaded your application.

We can only accept one application for each child. Where parents are separated it is essential that agreement is reached by both parents concerning the school(s) named on the form. Please see page 15 of the [Parent's Guide](#) for more information.

If you need any help with your application please check the chart at the bottom of the guidance notes to see who to contact.

Yours sincerely

School Admissions Team

It's time to apply for a Secondary School Place

Useful dates and information

- The closing date is **31 October 2022**. It's important to make sure you apply on time.
- Take your time selecting your school preferences. Places are **not** allocated on a first come first served basis. Make sure you apply by the closing date.
- Read the Parents/Carers Guide for 2023-24. You can find it online [here](#). Some schools receive too many applications for the number of places available. Some admissions policies have changed and information on oversubscription can be found in this guide.
- Contact the schools you are interested in and attend an open day.
- Some schools have testing. Find out about registration and testing dates by contacting the school(s) direct.
- If you live within BCP Council you can apply online [here](#).
- You can also apply using a paper application form. These are available from BCP Council.
- If you live outside of BCP Council you must apply to the Local Authority where you live.
- Where parents are separated, it is essential that agreement is reached concerning your child's application before the closing date. Please refer to the section entitled "Applications from Separated Parents" in the [Parents' Guide](#).
- If your child has an Education, Health and Care Plan, please speak to the SEND Inclusion Team to discuss your application on 01202 128880.
- Name up to 4 different schools on your application. Think carefully about the order; you should put your preferred school as your first preference.
- If you're thinking about applying for a church school you may need to complete a Supplementary Information Form (SIF) as well as your application form. You will need to check with the school to find out where to get their SIF and where to return it.
- If you applied on time you'll find out which school you have been offered on 1 March 2023. If you provide a valid email address on your application, you will receive an email containing a link to a PDF copy of your offer letter. You can also check online if you applied this way.
- Applicants who do not provide a valid email address will have a letter posted to them.
