Learning, Enjoying & Succeeding Together

15th December 2022

Dear Parent / Carer

Increase in Hot School Meal Price

We have been notified by Chartwells Catering that their catering costs will be increasing from January 2023. This is due to the ongoing increase in prices of wholesale food and energy costs.

While we have, and will continue to, absorb as much of the cost increases as we can, it does mean we will need to raise the price of hot school meals within school. This will be the first price increase we have had to pass on to parents in over two years.

As of January 2023, hot school meals will increase to £2.40.

Yours sincerely,

Peter Leddin
Business Manager
